MONTHLY DAY OF PRAYER
FOR MISSION MOBILIZATION

Africa Region

God is moving across Africa, ready to empower and enable a great mission mobilization sending movement across the continent. The body of Christ in many parts of Africa is spiritually strong, rooted in God's Word and His ways. It is time for the African Church to become all God intends for her in a global, cross-cultural mission. This requires a mission mobilization effort across African ministry structures to put God's mission heart at the center of every local ministry and fellowship as well as individual disciples. It requires the African Church to undergo significant paradigm shifts in how it understands the Great Commission and their role in it. Let's stand in the gap today for a mission mobilization breakthrough all across Sub-saharan Africa.

Let's pray...

Africa Region

1 ABANDONED DEVOTION IN THE CHURCH:

- For the Lord to establish His Church across Africa in the "Fear of the Lord,"(Ecclesiastes 12:13) rooted in reverential awe of God in all aspects of life and ministry.
- An overcoming of religious Christianity, characterized by lukewarmness and complacency (Revelation 3:14-22), replaced by true discipleship characterized by wholehearted surrender and abandonment to God.
- Believers living in victory over sin and the self-life (Romans 8:5-11) overcoming common temptations (1 John 2:15-17) choosing righteousness, walking in the Spirit and producing the fruit of the Spirit (Galatians 5:16-25).

2 GROWING MISSION MOBILIZATION IN THE CHURCH:

- Every believer intuitively grasping that Jesus has imparted His Great Commission heartbeat to them and that missions is not for somebody else.
- Every local ministry embracing their core identity as a multiplying, missionary community, proclaiming and demonstrating the Kingdom of God among near and distant unreached peoples.
- Pastors and ministry leaders seeing their primary leadership role as mobilizing and equipping the saints to do the work of the ministry (Ephesians 4:11), particularly the Great Commission.
