**MONTHLY DAY OF PRAYER  
FOR MISSION MOBILIZATION**

# Taiwan

Taiwan has been in the news lately because of its relationship with China. Historically we know a challenging environment can sometimes be the very seedbed for God's people to arise with zeal and wholeheartedness. The body of Christ in Taiwan makes up roughly 6% of the total population, with the majority being Buddhist or affiliated with Taiwanese folk religion. God intends this 6% to grow in abandonment to Jesus, living for His glory in their nation and the surrounding unreached peoples. This means embracing paradigm shifts in the churches and prioritizing depth of discipleship that incorporates Jesus' Great Commission at its core, not on the periphery, Let's pray for a move of the Holy Spirit across the Taiwanese body of Christ that accomplishes this, preparing the Taiwanese Church for great impact among the unreached.

## ABANDONED DEVOTION IN THE CHURCH:

- Growing spiritual awakening among believers in this part of the world – Drawing them back to their first love (Matthew 22:37; Rev. 2:4), removing all distractions standing in the way.
- The body of Christ in this region progressing from “spiritual milk” to the “meat” of His word – Moving from the introductory elements of true discipleship to spiritual maturity (Hebrews 5:12-14)
- Increase of spiritual hunger and thirst for God across Jesus’ body

## GROWING MISSION MOBILIZATION IN THE CHURCH:

- The Holy Spirit, who leads His people into all truth, bringing emphasis and priority to the clear Biblical mandate of “the fulfillment of the Great Commission.”
- Anointed mission mobilizers rising up and influencing local churches, denominations, church networks to be educated, inspired and activated in Jesus’ Great Commission
- Moving from implementing traditional concepts of understanding mission to discerning Biblical, Spirit-led approaches to align with the Spirit in mission and mobilization.
