

A large group of women, many wearing hijabs, are seated in rows of purple chairs. They appear to be participating in a prayer or religious gathering. The setting is outdoors under a white tent structure. The women are dressed in various colors, including white, pink, and light blue. Some are holding papers, likely prayer books or hymnals. The overall atmosphere is one of a formal religious event.

Pakistan

The church in Pakistan faces many challenges, yet she is growing numerically. The percentage of believers in the nation is around 5-7 %, comprising a large harvest force that is ready to be mobilized to understand God's mission heart and ways. God is ready to pour out His Spirit on the Pakistani Church as they align and come into agreement with His ways and plans for releasing spiritual authority among the unreached peoples within their nation.

**MONTHLY DAY OF PRAYER
FOR MISSION MOBILIZATION**

Let's pray...

Pakistan

ABANDONED DEVOTION IN THE CHURCH:

- Believers and local churches growing in the “Abiding Lifestyle (John 15:4),” increasing in their daily abiding in Jesus, the core criteria for bearing great fruit.
- God to raise “shepherds after His own heart” (Jer. 3:15) for the churches of Pakistan, strengthening spiritual leaders to guide their members in wholehearted discipleship.
- Believers and local churches embracing a true understanding of Christianity – a thorough, steadfast, costly, radical and wholehearted devotion to Jesus as a living Person, not to a religion, concept or idea.

GROWING MISSION MOBILIZATION IN THE CHURCH:

- The body of Christ across Pakistan embracing its calling to multiply Church Planting Movements within their own cities and nation, scattering spiritually prepared Message Bearer Teams from their churches to cross cultural barriers nearby.
- Local churches and ministries implementing effective, anointed mission mobilization tools within the life of every fellowship and small group to educate, inspire and activate believers.
- Thousands of local ministries infused with educating and training their members tightly grasp their individual roles and assignments in the Great Commission, and practically engage in these with all their heart.
