GHANA

Ghana is a strategic nation in the redemptive purpose of God for West Africa and Arab North Africa. God has blessed the Ghanaian body of Christ greatly over the last several decades and scripture reveals, "to whom much is given, much will be required" (Luke 12:48). The Church in Ghana has been growing and many emerging church networks have been developed while traditional denominations possess vibrant spiritual life. About 73% of the population calls themselves Christian and there are around 710 denominations nationally. Additionally, the Church in Ghana boasts many strong Biblical training institutions, including for message bearers (alternative term for missionary). The Church in Ghana has been actively sending message bearer teams to the unreached since the 1970's. Imagine if these 710 denominations and church networks would each prioritize, value and implement the Biblical plan and heartbeat of God for all peoples among their church constituencies. Not as a periodic "missions" message but by consistently teaching the Biblical perspective that the Church exists for mission and to engage with propelling the Kingdom of God forward among all ethnic peoples. Much greater fruit for the mission movement would be the direct result. Let's stand together in faith for the large body of Christ in Ghana to grasp and understand the Great Commission and find their role in contributing to its fulfillment.

Let's pray...

Ghana

12

ABANDONED DEVOTION IN THE CHURCH:

- Believers and local churches embracing (and glorying) in their human weakness, not their strength. The way of the world is showing forth strength while the way of the Kingdom is embracing weakness, trusting and depending on God in humility to work in and through us (Proverbs 3:5-6).

- Believers and local churches growing in dying to self and walking alive to God, buying into the truth at the heart level that “I am no longer my own, but have been bought with a price.” (1 Cor. 6:12)

- The Holy Spirit enabling believers and local churches to grow in loving Jesus with all the heart, mind, soul and strength. (Matthew 22:37)

GROWING MISSION MOBILIZATION IN THE CHURCH:

- Believers and local churches maturing in Christ so as not to see merely the obstacles in front of the advancing Church but to see the possibilities through the eyes of faith, saying with Caleb of old, “We should go up and take possession of the land, for we can certainly do it!” (Numbers 13:30)

- Believers and local churches overcoming three common hindrances in mission understanding – fear, having a small vision of God and lack of willingness to fight and persevere.

- For effective anointed missionary mobilizers springing up by the hundreds to empower local ministries to rightly understand and be activated in the Great Commission, with a burning vision that God is giving to the unreached and uncommitted people groups of Africa Western as heritage.
